educators
community leaders
health professionals

The TLA Network supports individuals and organizations that promote forms of the spoken, written, and sung word as a tool for personal and communal transformation.

Unity Village ✦ Kansas City, MO

Explore how we can use words — written, spoken, or sung — to build community, deepen healing, witness one another, wake up, and foster empowerment and transformation.

Enjoy workshops and performances on writing, storytelling, spoken word, music, and other arts with over 50 presenters from across the country. Scholarships available.

Keynotes: Jimmy Santiago Baca, one of America's best-loved poets; Sha Cage & E.G. Bailey, spoken word performers; Darren Canady, playwright; & Xanath Caraza, poet & writer.
